

# JOURNEYPERSON AND APPRENTICESHIP TRAINER: COACHING AND MENTORING WORKSHOP

*Teaching and learning in the workplace is part of EVERY job.*

We want to put a focus on supporting our mentors and industry employers to help strengthen workplace skills training and build towards a sustainable workforce for today and tomorrow.

Upon successful completion of this workshop, participants will receive a certificate of participation, as well as demonstrate the ability to apply strategies to assist with learning and teaching skills in the workplace.
